We take great pride in our line of Storage Cabinet Products. ASM has the manufacturing capabilities to provide a full line of cabinets in standard sizes as well as the capacity to meet custom sizing requirements. ASM cabinets maintain strength and durability making them the ideal choice for the storage needs in any environment.

**ASM All Steel Storage Cabinets** are of a heavy duty all welded integral construction, available in 20, 18 & 16 ga. material. All cabinets are double door with a single high quality two point locking handle. All standard cabinets come with 4 adjustable shelves on 2" increments. Doors close quietly & fit flush with the frame of the cabinet.

**The interior of the cabinets** can be customized to provide a wardrobe or combination cabinet. The height is available in highboy & lowboy models.
